Preparing for
College Success

Preparing the next generation of Westchester
leaders for success in college and beyond

WHO WE ARE

Yonkers Partners In Education (YPIE) partners with students to ensure they are ready for, enroll in, and complete college. We confront the challenges of a low-income, urban school district by providing families with equitable access to the critical tools and services necessary for college success.

YPIE COLLEGE SUCCESS MODEL

Our program is among the most comprehensive for underrepresented, first-generation students, spanning 9th grade through college, focusing on the academic and life skills integral to success in college and beyond.

WHAT MAKES YPIE UNIQUE

Data-driven program model begins in 9th grade and goes through year two of college

Meaningful partnerships with 1,200 students in our programs

Collaboration with NYS's 4th largest school district

More than 200 volunteers have multi-year relationships with students

“YPIE encourages students to think about college early. It means you are ahead of the game. They provide an extra push for college and are always there to help. It’s a community. It’s a family.”

YPIE Scholar 2015-2019
Howard University

“All students have potential, but there are not enough resources to support them on their path to college. It’s very personal for me. I can identify with these students. I’ve been through their journey. YPIE is a comprehensive organization, with supportive staff, setting high but attainable goals for their students.”

Maria Marzan
YPIE Volunteer

“From the start of my high school life to the day I graduated, YPIE has been with me every step along the way. I would not be where I am now without YPIE. What YPIE gives students greatly shapes their lives in ways they would never think possible.”

GET INVOLVED

VOLUNTEER

- Mentor a YPIE Scholar as a Graduation Coach.
- Assist YPIE Fellows with their college applications and essays.

DONATE

- YPIE thrives because of the generous support from friends, volunteers, and donors.
- YPIE is a recognized 501(c)(3) and all donations are tax deductible.

VISIT

- Visit our new YPIE College Zone, a 5,000 square foot learning space where hundreds of students come after school each week to learn, be inspired, and be part of a community of students on the path to college.

Visit ypie.org to learn more about YPIE and how you can make a difference in a student’s future.
